

PLAYER ADD/CHANGE

If you need to add or replace a team member after your entry form has already been processed, your team captain needs to complete a Player Add/Change form.

- All player changes or additions from March 8 through June 21 will incur a \$10 charge.
- Player changes/additions made March 8 through June 3 may alter the team's current profile, regardless of gender/age/grade (if applicable), height and playing experience.
- However, any player change/addition made from June 4 through June 29 must match the team's current profile gender, age/grade (if applicable), height and playing experience.

The event administrators reserve the right to reject any change or addition which does not fit the team's current profile or the bracket it has been placed in.

Please note the following:

- There is a \$10 player change fee for each player change made before 5:00 P.M. on Friday, June 21, 2019.
- The fee increases to \$20 starting June 22 until 8:00 A.M. on Saturday, June 29.
- Adding a fourth player to your team once you have registered requires a player add/change form and the accompanied fees.
- ALL TEAMS are subject to player add/change deadlines and fees.
- No refunds will be granted for player add/change fees that have been submitted.
